ADMINISTRATIVE ORDER 149
Series of 2001

Subject: Omnibus Guidelines for Minors Travelling Abroad

Department Order No. 03 Series of 2001 setting guidelines for unaccompanied minors travelling abroad is hereby revised in response to the following international commitments and legislations:

1. The UN Convention on the Rights of the Child which the Philippines ratified on July 26, 1990 mandates State Parties to take measures to combat the illicit transfer and non-return children abroad (Articles 11) and to take all appropriate national, bilateral and multilateral measures to prevent the abduction of, the sale of or traffic in children for any purpose or in any form (Article 35).

2. RA 7610 also known as the Special Protection of Children Against Abuse Exploitation and Discrimination Act mandates the DSWD to issue a travel clearance to unaccompanied minors travelling abroad or written permit or justification from the child’s parents or legal guardians (Article IV, Sec. 8, a), as a measure to protect children and prevent child trafficking. This law strengthens Article 3 on the rights of the child in the Child and Youth Welfare Code (PD 603).

3. RA 8239 otherwise known as the Philippine Passport Act of 1996—requires the applicant (below 18 years old) to submit an affidavit of consent from a parent or those exercising parental authority and legal custody, if the minor is travelling with either one of them and a clearance from DSWD, if the minor is travelling with a legal guardian or a person other than a parent before the issuance of a passport (Sec. 5).

Further, there is an urgent need to set the guidelines in conformity with the existing requirements of other partner agencies and to respond to issues and concerns based on the actual experiences of the field implementors to further strengthen measures to prevent trafficking and abduction of children.

1. Statement of Policy:

The Department is mandated to provide protection to minors against exploitation, trafficking, improper influence, abuse and other conditions prejudicial to their physical, mental, emotional, social and moral development.
