SUBJECT: OMNIBUS GUIDELINES ON THE REGISTRATION AND LICENSING OF SOCIAL WELFARE AND DEVELOPMENT AGENCIES AND ACCREDITATION OF SOCIAL WELFARE AND DEVELOPMENT PROGRAMS AND SERVICES

RATIONALE:

The Department of Social Welfare and Development (DSWD) encourages the participation of social welfare and development (SWD) agencies in uplifting the quality of life of the poor and the disadvantaged. It aims to strengthen their capacity to fulfill their goals and help them provide accountable and quality service for their target clients and partners by licensing organizations engaged in SWD, as provided for in Department Order (DO) No. 29, Series of 1998 and by accrediting SWD programs and services in accordance with DO No. 1, Series of 1996.

With the widening field of SWD work, these two separate DOs need to be broadened to include specific areas covered in licensing and accreditation and in the consistency of required processes. Also, a variety of service schemes and organizations have emerged in response to the current demands of SWD clients and stakeholders, which are not addressed by the existing policies and guidelines.

Cognizant of these developments, the DSWD has to be responsive to their contribution and role in social welfare and development. Their existence and operation may not necessitate licensing and accreditation, thus, the process of registration is evolved to strengthen partnership of these types of agencies with the government in service of the disadvantaged sectors and the other SWD agencies as well.

Considering the above, this Omnibus Guidelines on the Registration and Licensing of SWD Agencies and Accreditation of SWD Programs and Services (referred to as Guidelines) is formulated to amend existing policies and guidelines and to provide a unified direction in recognizing the contribution and regulating the operation of SWD agencies in the Philippines.
