ADMINISTRATIVE ORDER
NO. 58
Series of 2003

SUBJECT: DSWD GUIDELINES ON CONTINGENCY PLANNING FOR CRISIS MANAGEMENT

I. RATIONALE/SITUATIONER:

The war between the United States and Iraq had caused an international and local crisis. An estimated 1.4 million Overseas Filipino Workers who are working in Iraq and neighboring countries are in danger of evacuation and economic displacements. Within the country, families and/or relatives of these OFW's are overly concerned about the well-being of their loved ones working in affected countries.

Families of OFWs have to be assisted to allay fears and reduce stress as to the situation of their loved ones in the Middle East.

Wars and crisis situation can happen anytime, anywhere which the Philippine government has to prepare for.

The DSWD, being one of the major OPR's (Office of Primary Responsibility) have a major role to play in the relief and rehabilitation of the families affected by the crisis and in allaying their fears as well as their loved ones of possible socio-economic displacements. Hence, the need for the crafting of this guidelines.

II. MANDATE AND LEGAL BASIS

The DSWD draws its authority from the following:

1. Executive Order No. 15, series of 1995 mandates the DSWD to provide assistance to Local Government Unit (LGUs), Non-government Organizations (NGOs), other National Government Agencies (NGAs), Peoples Organization (POs) and the members of civil society in effectively implementing programs, projects and services that will alleviate poverty and empower...
disadvantaged individuals, families and communities for an improved quality of life.

2. P.D. 1566 – Strengthening of the Disaster Coordinating Council at all levels mandates and/or provides:

- Creation of the National Disaster Coordinating Council at all levels. It set guidelines for planning for disaster operations and empower the local government to be used for disaster preparedness which shall include among others the organization of all DCCs, establishments of physical facilities, the equipping and training of disaster action teams. Moreso, DSWD as the lead agency for Relief and Rehabilitation Committee...

- Self-reliance shall be developed by promoting and encouraging the spirit of self-help among the local officials and the people.

- Each political subdivisions of the country shall utilize all available resources in the area before asking assistance from neighboring entities or higher authorities.

- The primary responsibility rests on the government agencies in the affected areas in coordination with the people.

- The national government exists to support the local government.

- Planning and operation shall be done in the barangay level in an inter-agency, multi-sectoral basis to optimize the utilization of resources.

3. R.A. 7160 – Local Government Code – Mandates the devolution of powers and functions to Local Government Units for the delivery of basic social services, including disaster management.

4. R.A. 8185 – Local Disaster Funds

- An act amending section 324 (d) of RA 7160 otherwise known as the Local Government Code of 1991.

- Five percent (5%) of the estimated revenue from regular sources shall be set aside as an annual lump-sum appropriation for unforeseen expenditures arising from the occurrence of calamities: provided, however, that such appropriation shall be used only in the area, or a portion thereof, of the local government unit or other areas declared by the President in a state of calamity.
5. Crisis Management and Security Manual which provides for mechanisms and procedures to safeguard and protect the OFWs in war torn or countries in crisis.
