
I. Background/Rationale

Republic Act No. 8042 also known as the "Migrant Workers and Overseas Filipino Act of 1995" stipulates that a Migrant Workers and Overseas Filipinos Resource Center shall be established in countries where there are large concentrations of Filipino Migrant Workers. Further, in countries categorized as highly problematic by the Department of Foreign Affairs (DFA) and the Department of Labor and Employment (DOLE) and where there is a concentration of Filipino migrant workers, the government must provide a lawyer and a social worker for the Center.

Hence, a Memorandum of Agreement between the Department of Social Welfare and Development (DSWD) and the DOLE on the implementation of an Overseas Comprehensive Social Service Package (OCSSP) was signed in February 2002.

Relatedly, in 2002, the Department started the deployment of DSWD senior staff as Social Welfare Attache' in Malaysia in recognition of the needs of migrant Filipinos in the said country, particularly the illegal entrants and undocumented Overseas Filipino Workers.

Lastly, on February 24, 2004 the Department entered into a Memorandum of Agreement with the International Social Service in Japan and Hongkong for internship of DSWD social workers with other National Government Organizations abroad.

These developments led to the piloting of the ISWSFN project. Considering the implementation of this project since 2002, there is a need to update and consolidate its various policies and guidelines.
