Memorandum Circular No.: 17
Series of 2014

SUBJECT: REVISED OMNIBUS RULES AND REGULATIONS ON PUBLIC SOLICITATION

1.0. RATIONALE

The Presidential Decree (PD) No. 1564 of 1978, also known as the “Solicitation Permit Law”, mandated the Department of Social Welfare and Development (DSWD) to issue solicitation permit to any person, corporation, organization, or association desiring to solicit or receive contributions for charitable or public welfare purposes at the DSWD Regional Offices. On the other hand, the Executive Order (EO) No. 24 series of 2001 “Delegating to the Department of Social Welfare and Development the Authority to Grant Authorization for the Conduct of National Fundraising Campaigns” directed the DSWD Secretary the final authority to approve or disapprove requests for the conduct of national fundraising campaigns.

In order to operationalize the two (2) issuances, the DSWD Administrative Orders No. 14 series of 2007 entitled “Revised Omnibus Rules and Regulations on Public Solicitations” was issued to regulate the practice of public solicitation for charitable and public welfare purposes in the Philippines at both regional and national levels. This provided the necessary requirements, procedures, mechanism and penalties in the conduct of public solicitation. Another issuance, DSWD AO No. 18, series of 2010, provided addenda to the first issuance by incorporating provisos on individual solicitation as well as an assertion that photo listing—the impudent posting of photos and identifying information of a child in printed and electronic materials intended for public solicitation—is strictly prohibited.

However, the issuance of two different guidelines regulating the practice of solicitation sometimes creates confusion to its users, thus the need to merge them into one (1) guideline document. Likewise, in a consultation of the Department with its various stakeholders e.g. social welfare and development agencies (SWDAs), local government units (LGUs), government agencies and DSWD Field Offices (FO), a necessity was found to make the guidelines attune with the existing issues and experiences in the conduct of fundraising activities; hence, this revision.

2.0. OBJECTIVES

This guideline primarily serves to regulate and enforce standard guidelines to persons, corporations, organizations, or associations desiring or conducting solicitation activities for public and charitable purposes. Other objectives include:

2.0. Promote transparency and accountability in the conduct of public solicitation by any person, corporation, organization, and association for charitable or public welfare purposes;
2.1. Ensure an efficient facilitation of funds solicited from the public;

2.2. Ensure compliance of any persons, organizations or associations that were issued solicitation permit/authority to conduct fundraising campaign by the DSWD; and

2.3. Provide and implement penalties or sanctions to those who violated the policies and procedures of these guidelines.

3.0. LEGAL BASES

This guideline is hereby promulgated by the DSWD based on the following legal mandates:

3.1. Presidential Decree No. 1564 (Amending Act. No. 4075 otherwise known as Solicitation Permit Law)—This directive was an amendment to the Solicitation Permit Law of 1933 and was crafted in light of substantial social and economic changes that have taken place in the country considering that previous law is no longer attuned to present conditions. It has mandated the FO of the Department to issue permits to persons, corporations, organizations, or associations desiring to solicit or receive contributions within a specific region for charitable and public welfare purposes.

3.2. Executive Order No 24, series of 2001 (Delegating to the DSWD the Authority to Grant Authorization for the Conduct of National Fundraising Campaign)—This mandates the DSWD Secretary to have the final authority to approve or disapprove requests for the conduct of national-level fund campaigns. 3.3. Presidential Decree No. 1563 (Mendicancy Law of 1987)—This law has established a system to (1) prevent the commission of mendicancy as well as the exploitation of infants and children through mendicancy and (2) provide rehabilitative services for those already exploited or in immediate danger of exploitation.

3.4. Executive Order No. 292 (The Administrative Code of 1987)—It sets forth the standards, guidelines, and practices within the executive branch of the government, and establishes the various Cabinet-level offices falling within the executive branch, including the DSWD.

3.4.1. Title XVI, Chapter 1 (General Provisions), Section 3 (Powers and Functions), Item 13—states that “to accomplish DSWD mandate and objectives, it shall regulate fund drives, public solicitations and donations for charitable or welfare purposes.”

3.4.2. Title XVI, Chapter 9 (Fund Drive), Section 20—states that “any person, corporation, organization, or association desiring to solicit or receive contributions for charitable or public welfare purposes shall first secure a permit from Regional Offices of the Department. Upon filing of a written application for a permit in the form prescribed by the Department, the Regional Director or his/her duly authorized representative may in his/her discretion, issue a permanent or temporary permit or disapprove the application. In the interest of the public, he/she may his/her discretion, renew or revoke any permit issued under Act 4075.”
3.5. Book III, Title II, Chapter 3, Art 1, Sec 444 (b) (3) (v) (Powers and Functions of Municipal Mayor) and Book III, Title II Ch 3 Art 1 Sec 455 (b) (3) (v) (Powers and Functions of City Mayor) of the Republic Act 7160 (Local Government Code of 1991)—This allows municipal and city mayors to issue permits for holding of activities for any charitable or welfare purpose to be conducted within the fringe of the municipality or city, without the need of approval therefore from any national agency. These activities exclude prohibited games of chance or shows contrary to law, public policy, and public morals.

3.6. Article I Section 2 of the Republic Act No. 7610 (Special Protection of Children Against Child Abuse, Exploitation and Discrimination Act)—It states that it is a policy of the State to provide special protection to children from all forms of abuse, neglect, cruelty exploitation and discrimination and other conditions, prejudicial their development. It also provided sanctions for their commission and carry out a program for prevention and deterrence of and crisis intervention in situations of child abuse, exploitation and discrimination.

3.7. Section 3 (e) of the Executive Order No. 15 series of 1998 (Redirecting the Functions and Operations of the Department of Social Welfare and Development) —This mandate the DSWD to regulate fund drives, public solicitation and donations for charitable or welfare purposes, consistent with the provisions of the Administrative Code of 1987 and of the Local Government Code.

3.8. Inter-Country Adoption Board Resolution No. 054-46 series of 2010 (Addendum to the Policy on Photo listing of Children in the Internet) —It states that uploading of advertisement in the internet using Filipino children as means to solicit donation is prohibited.

3.9. Administrative Order No. 170, series of 2002 —This issuance has mandated the DSWD to become one of the government offices directed to raise income and remit funds promptly to the National Treasury.
