GUIDELINES FOR THE PRESIDENTIAL FINANCIAL ASSISTANCE (5KPFA)
FOR TYPHOON YOLANDA AFFECTED HOUSEHOLDS

I. RATIONALE

On 8 November 2013, Super Typhoon Yolanda hit the country and left thousands of people dead and billions of pesos worth of properties, livelihood and infrastructure damaged. National agencies, local government units (LGUs), non-government organizations (NGOs), and international donors funded various relief and rehabilitation activities in Yolanda-affected regions. The DSWD achieved its mandated tasks under the Comprehensive Recovery and Rehabilitation Plan (CRRP). However, overall recovery and rehabilitation still has a long way to go, particularly in the aspects of rebuilding shelters and infrastructure.

During the third year commemoration of Super Typhoon Yolanda in Tacloban City on 8 November 2016, President Rodrigo R. Duterte addressed the appeals of some 200,000 victims who have not received shelter assistance from the government or private donors. The President committed to give each affected household financial assistance in the amount of PhP 5,000.00, the distribution of which would be coursed through the DSWD.

Secretary Judy M. Taguiwalo then issued a Memorandum dated 10 November 2016 on "Yolanda Financial Assistance Announcement by PRRD" to guide concerned units at the Central Office and Regional Offices on the preparations needed to operationalize the President’s directive.
