MEMORANDUM CIRCULAR
No. 14
Series of 2017

1. Memorandum Circular No. 02 series of 2017 entitled Guidelines on the Availment of Libreng Gamot Para sa Masa (Lingap sa Masa) focuses on providing medicines only. The pilot implementation of the program revealed that due to the inherent limitations of the form of assistance initially authorized under the program as well as other factors that tend to hamper the program’s efficient implementation, the need to amend the program’s existing guidelines was identified in order to reflect the following:

- Inclusion of prosthetics, assistive devices, laboratory procedures, and other medical supplies;
- Expansion of target beneficiaries by including the immediate family members of the government contract of service workers or government workers; and
- Expansion of the partnership of this program to include other district/provincial/regional government hospitals.

There is also a need to amend the name and guidelines of the program in order to accurately reflect the foregoing amendments. The program is therefore hereby renamed Lingap at Gabay Para sa May Sakit (LingGaP sa MaSa) Program and its guidelines as: Guidelines on the Availment of Lingap at Gabay Para sa May Sakit (LingGaP sa MaSa) Program.
