GUIDELINES ON THE AVAILMENT OF
LINGAP AT GABAY PARA SA MAY SAKIT (LINGAP SA MASA):

I. RATIONALE

The DSWD is mandated to implement (i) residential care and center-based programs and services serving the whole region and/or more than two provinces/cities; (ii) pilot and demonstration social welfare and development projects; regular program involving special social services and statutory programs; and (iii) crisis intervention (EO No. 221, Series 2003).

Crisis Intervention refers to the methods used to offer immediate, short term help to individuals who experience an event that produces emotional, mental, physical, and behavioral distress or problems.

The rising cost of medicines and medical care in the country leads to loss of lives. Curable or preventable disease worsen due to patient's inability to purchase prescription drugs.

With the thrust of the government to prioritize the health and well-being of the people, PRESIDENT RODRIGO ROA DUTERTE allocated One Billion Pesos (Php1 Billion) for medical assistance to indigent patients to be sourced from the Office of the President's Socio-Civic Projects Fund.

The President's Php1 Billion medical assistance fund shall be disbursed under a program which shall hereinafter be known as LINGAP AT GABAY PARA SA MAY SAKIT or LINGAP SA MASA, for which the Department of Social Welfare and Development (DSWD) was tasked by the President to manage and implement.

Hence, these Guidelines on the availment of the President's LINGAP SA MASA (the "Program").

II. OBJECTIVES

1. Carry out the President’s directive to provide free medicines, prosthetics, medical and assistive devices, medical supplies, medical implants, laboratory/diagnostic/radiology procedure, chemotherapy and dialysis to indigent Filipinos and government workers (regular, contractual, casual, Cost of Service and Job Orders) and their beneficiaries needing treatment for various illnesses/injuries, or conditions;
2. Provide guidelines for the disbursement of the medical assistance or LINGAP SA MASA; and

3. To operationalize the availment of the medical assistance under LINGAP SA MASA.

III. DESCRIPTION OF LINGAP SA MASA PROGRAM

LINGAP SA MASA is envisioned as the program that will implement the President’s directive to provide free medicines, prosthetics, medical and assistive devices, medical supplies, medical implants, laboratory/diagnostic/radiology procedure, chemotherapy and dialysis medical assistance to indigents and to needy government workers. The amount of Php 1 Billion has been committed to the program to be sourced from the President’s Socio-Civic Projects Fund of the Office of the President.

The President tasked the DSWD to be the implementing agency of LINGAP SA MASA.

LINGAP SA MASA will be implemented by establishing desks at identified hospitals where patients needing prescription medicines will be assessed and provided assistance via the issuance of guarantee letters for the purchase of medicines from hospital pharmacies or from partner drug stores.

LINGAP SA MASA shall be a program distinct and separate from the Assistance to Individuals in Crisis Situation (AICS).

IV. IMPLEMENTING OFFICE

The DSWD’s Protective Services Bureau under the DSWD’s Protective Services Program shall be the lead implementing office of LINGAP SA MASA.

V. TARGET BENEFICIARIES

The beneficiaries of LINGAP SA MASA are indigent Filipinos who are either confined in or receiving out-patient treatment from herein identified hospitals and who are in need of prescription medicines.

Priority shall, however, be given to the following:

1. Families or individuals who are indigent, vulnerable, or disadvantaged;

2. Those in the informal sector and poor based on the DSWD Listahanan;

3. Those who are in crisis situations based on assessment of Social Workers;

4. Government employees (regular, contractual, casual, Cost of Service and Job Orders) working in the government; and
5. Beneficiaries of soldiers and police who were killed or wounded in the line of duty.

The program does not cover prescription medicines for drug dependents undergoing treatment or rehabilitation. A separate program will be created for that purpose.

VI. RULES AND REQUIREMENTS FOR AVAILMENT

A. DOCUMENTARY REQUIREMENTS
