I. RATIONALE

In July of 2009, Republic Act No. 10121, also known as the Philippine Disaster Risk Reduction and Management Act of 2010, was ratified into law mandating the Department of Social Welfare and Development (DSWD) as the Vice Chairperson for Disaster Response. As one of the lead government agencies during disaster relief, recovery and rehabilitation, the Department provides technical assistance and resource augmentation (TARA) to the Local Government Units (LGUs) especially when disasters are of enormous scale and intervention of the national government is needed. Such disasters include the Super Typhoon Yolanda (Haiyan) in 2013, Marawi siege in 2017, several catastrophic typhoons and just recently the COVID-19 pandemic.

The Sustainable Livelihood Program (SLP) upholds the Department’s role in the provision of TARA to the LGUs and it is committed to continue enhancing its systems and processes to ensure that its support to the early recovery and rehabilitation of livelihoods of disaster-affected families and communities is timely and remains responsive.

In 2018, the DSWD issued Memorandum Circular Nos. 11, 15 and 24 which laid down SLP’s processes in providing livelihood assistance to the Internally Displaced Persons (IDPs) or Persons Displaced by Armed Conflict and other Forms of Disasters. Through the said issuances, the DSWD Field Offices (FOs) were able to provide livelihood support to displaced families affected by fire incidents, landslides, flooding incidents, among others.

Due to the escalating magnitude of disasters wherein disruption of economic activities is a huge challenge not only for the IDPs but to all families particular those who are identified as poor, vulnerable and in the informal sector, expanding the coverage of DSWD’s post-disaster livelihood assistance is imperative to make it more inclusive and responsive so that other families not only IDPs will also be assisted.

At the early recovery phase after the occurrence of disaster, the provision of Livelihood Settlement Grant (LSG) through the Sustainable Livelihood Program (SLP) must be provided only to families whose livelihoods or source/s of income are affected by natural or human-induced disasters, subject to compliance to eligibility assessment as stipulated in this Memorandum Circular. Priority consideration should be given to affected low-income/poor families in the informal sector such as those listed in DSWD’s Listahanan or included in the Pantawid Pamilya Pilipino Program (4Ps) and other families identified as vulnerable, marginalized and disadvantaged, subject to assessment; and

2. During the rehabilitation phase, the provision of Community Livelihood Rehabilitation Grant (CLRG) through the SLP must be provided to duly accredited beneficiary Civil Society Organization (CSO) by the DSWD Field Office (FO).

Further, the grant may also be used as a support and an additional capital to the existing viable micro-enterprise of the target beneficiary, income of which had been severely affected by a disaster;
b. The LSG can also be used to support beneficiaries’ needs for pre-employment requirements, with a view of augmenting the expenses to be incurred in securing documents in relation thereto, such as payment of certifications (birth certificate, NBI, etc.), food and transportation in securing pre-employment documents, employment kits, and food and transportation allowance during the first month of employment; and

f. The CLRG shall only be provided once to each eligible beneficiary Association. However, a CLRG beneficiary may again be a recipient of such assistance in case that the Association is again affected by disasters and is assessed to be eligible again to receive such assistance.

E. Cost Parameter

1. Livelihood Settlement Grant
The maximum amount of LSG per eligible family shall not exceed Twenty Thousand Pesos (PhP20,000.00), for micro-enterprise or employment-related projects or a combination of both. The amount of LSG shall depend on the needs of the target beneficiary’s proposed livelihood project.

G. Implementation Period

1. The LSG is provided as an early recovery intervention that seeks to support the immediate restoration or resettlement of affected livelihoods in which it is targeted to be provided within at least three (3) months after the disaster. However, depending on the impact of disaster in which relief assistance is extended to provide basic needs, the LSG may be provided within a longer period of time after the occurrence of a disaster but should not exceed one (1) year after the occurrence of the disaster.

The following table shows the timeline on the provision of LSG that covers activities from the pre-implementation until the LSG utilization monitoring:

2. The CLRG is a rehabilitation intervention which is provided in a situation where basic services have been restored and economic activities have started. The implementation process for CLRG must be undertaken at least nine (9) months after the occurrence of a disaster. However, due to factors that directly affect the implementation such as availability of funds, change in policy, amendments to CRRP, among others, the implementation process of CLRG may commence one (1) year after the disaster.

Note: Continuous project monitoring after the release of the CLRG will be undertaken within a period of two (2) years. Activities such as quarterly project implementation updating will be conducted with the C/MLGU as the lead with assistance of the DSWD FO.
3. In cases where the LSG and CLRG overlap and the former is in process or pending for disbursement, the said assistance should still be provided to the intended target recipient who is a member of the CLRG beneficiary Association.

**VI. OPERATIONAL GUIDELINES**

The provision of LSG and CLRG through SLP shall promote a LGU-led strategy which shall ensure participation of different sectors in the identification, implementation, monitoring and sustaining livelihood recovery projects which are contributory to the livelihood recovery and rehabilitation plan of the LGU.

The DSWD through the SLP shall provide necessary TARA to the C/MLGUs, if needed, for the immediate recovery and rehabilitation of livelihoods of the affected population. The support that DSWD may provide may not necessarily be in the form of financial assistance but through engaging or linking private and public partners that may provide needed interventions as part of the early recovery and rehabilitation of disaster-affected families and communities.

The succeeding items of this Section details the steps and procedures on how the provision of LSG and CLRG is being implemented highlighting the roles and responsibilities of the C/MLGUs and the DSWD.

**A. Livelihood Settlement Grant**

1. **Preparation of Livelihood Recovery Project Proposal (LRPP)**
   
   a. The C/MLGU to convene the key leaders/officials of existing Organizations, Associations, Groups of informal sectors, Barangay LGUs (BLGUs) and other stakeholders for the formulation of the City/Municipal Livelihood Recovery Project Proposal (LRPP). The SLP Provincial Coordinator (PC) or SLP Project Development Officer (SLP-PDO) or designated DSWD staff shall attend the activity to provide orientation on LSG, discuss the details of the LRPP, eligibility assessment processes and project implementation and monitoring activities;
   
   b. After the activity, the C/MLGU shall have identified target sectors, beneficiaries and livelihood projects with concurrence of the invited sectoral leaders, BLGU officials and other local stakeholders. Further, the schedule of ground activities to finalize the list of target beneficiaries and livelihood projects should be agreed upon; and
   
   c. At this stage, the C/MLGU should have started formulating the LRPP. The LRPP will be finalized after the ground activities to ensure that the information gathered will be integrated in the LRPP. The C/MLGU should ensure that the data being summarized/consolidated in the LRRP should be consistent with the information gathered during the ground activities.
2. **Beneficiary and Project Identification and Pre-Assessment & Finalization and Submission of LRPP**

a. The C/MLGU in coordination with the BLGUs shall identify the target beneficiaries and livelihood projects as discussed during the LRPP orientation. The leaders/officials of the organization/association/groups of the target beneficiaries shall provide assistance during this stage;

b. The BLGU shall submit to the C/MLGU the list of target beneficiaries and livelihood projects;

c. The CMLGU shall validate the submitted list and assess the feasibility and profitability of the proposed projects;

d. All target beneficiaries pre-assessed by the C/MLGU shall be included in the Certified List of Target Beneficiaries to be certified by the C/MSWDO and duly noted by the Local Chief Executive (LCE) or his/her designated official or staff; and

e. The C/MLGU through the LCE shall then endorse the LRPP through an official letter addressed to the DSWD Regional Director (RD) through the PC where the C/MLGU is located, with the following attachments:

   i. Certified List of Target Beneficiaries; and

   ii. Copy of Declaration of State of Calamity or similar documents or disaster reports that highlights the nature, scope and impact of the disaster to the livelihoods of the families in the affected area/s.

3. **Project and Beneficiary Final Assessment**

a. The PC shall instruct the SLP-PDO to conduct the LSG Field Validation upon receipt of the LRPP and its attachments from the C/MLGU. The PC may also request other DSWD staff from other DSWD programs in the province to assist in the LSG Field Validation. The C/MLGU shall be required to send at least one (1) technical staff to participate in the field validation. The field validation only covers the C/MLGU's application for LSG. The field validation should be undertaken within a maximum of five (5) working days;

b. The LSG Field Validation Form shall be accomplished by the SLP-PDO to be attested by the C/MLGU representative/s who joined the field validation. The LSG Field Validation Form determines the compliance of the C/MLGU as to the eligibility of the target recipients and the feasibility of the proposed livelihood projects. The SLP-PDO shall prepare the LSG Field Validation Report to be reviewed by the PC, recommended for approval by the SLP Regional Program Coordination (RPC) and approved by the DSWD RD;

c. The PC shall send an official letter to the C/MLGU informing the City/Municipal Mayor on the result of the field validation indicating the number of eligible (
compliant), ineligible and deferred (partially compliant) target recipients with the following description:

i. Eligible recipients are those target recipients that passed/complied with the eligibility criteria as stated in Section V.C.1 of this Circular and whose proposed livelihood projects were validated to be feasible or viable. These recipients will automatically be included in the Final List of Eligible Beneficiaries to be approved by the DSWD RD;

ii. Ineligible recipients are those that were validated to be non-compliant to at least one (1) of the eligibility criteria as provided in Section V.C.1 of this Circular. These recipients may be replaced by the C/MLGU with new target recipients. For this, the C/MLGU should amend the LRPP and its attachments and the SLP-PDO should undertake 2nd round of LSG Field Validation. The PC may refer the ineligible recipients to other government agencies involved in livelihood recovery activities such as DA, DTI, DOLE, CDA, -among others; and

iii. Deferred recipients are those that passed the eligibility criteria as provided in Section V.C.1, but the proposed livelihoods projects were validated as not feasible or not viable. The C/MLGU may retain the recipients but shall comply with the recommendations of the DSWD for the proposed livelihood project. The C/MLGU may also replace the deferred recipients with new target recipients. For this, the C/MLGU should amend the LRPP and its attachments and the SLP-PDO should undertake 2nd round of LSG Field Validation.

d. Within three (3) working days upon receipt of the notice from the DSWD through the PC, the C/MLGU should comply with the recommendations of the DSWD. Failure to comply on the part of the C/MLGU within the timeline means forfeiture of the slots for the said beneficiaries and only those validated eligible recipients will be included in the Final List of Eligible Beneficiaries;

e. In case for a change in beneficiaries or projects, the SLP-PDO shall undertake the 2nd round of LSG Field Validation. The LSG Validation Form shall be re-administered for the deferred recipients while a new LSG Validation Form shall be administered for the new target recipients. The LSG Validation Forms shall be accomplished by the SLP-PDO and concurred by the representative from the C/MLGU. The result of the 2nd field validation will be final and executory. The DSWD through the PC shall inform the C/MLGU the final result of the validation. The C/MLGU may appeal to the DSWD RD within three (3) working days upon receipt of the result of 2nd LSG Field Validation; and

f. The SLP-PDO shall formulate the Final List of Eligible Beneficiaries to be approved by the DSWD RD. The SLP-PDO shall submit the amended LRPP and its attachments, if there’s any, accomplished LSG Field Validation Report and the List of Eligible Beneficiaries.
